**Real people who really get your style**

Your stylist can help complete a look, collaborate on trends, recommend pieces that fit your unique body and incorporate your input into each item they send.

“ By collaborating to blend her unique taste, fit and body type, I helped Sara find the perfect jeans to flatter her petite frame! —Christina, stylist

“ Taylor started a new job. I sent her comfortable, easy-to-wash pieces that'd work for the office, family time and everything in between. —Lizzy, stylist

“ Steph's style is very edgy. I focus on looks she can easily transition from day to night, sprinkling in bold accessories for an extra pop. —Nicole, stylist
